

CSLF Strategic Plan

Policy Group Meeting

29 June 2009

Vision

- The CSLF will build a new foundation with its Members, Stakeholders, the academic community, the IEA and the GCCSI.
- The CSLF will be the catalyst for the deployment and eventual commercialization of CCS.

Background

- Review of history and current activities
- Situation analysis
- Strategy forward
 - High impact activities
 - Activities best suited to CSLF
 - Complement the work of other international organizations

Action Plans

- 1 G8 Recommendations Canada 04/10
- 2 Technology Roadmap Norway 04/10
- 3 Incentives Registry CSLF 10/09
- 4 Developing Country Finance 10/09
- 5 Bridging the Financial Gap IEA 12/10
- 6 Capacity Building Saudi Arabia 01/10

Action Plans

- 7 Academic Network Brazil 08/10
- 8 Communications US 09/09
- 9 Stakeholder Engagement PG 09/09
- 10 International Collaboration CSLF 07/09
- 11 CCS in Climate Change fora CSLF ???

Some Questions

- Are the Action Plans consistent with CSLF objectives?
- Is timing/priority appropriate?
- Do the lead members accept their roles?
- Other comments or suggestions?
