ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA

DOE/FE ORDER NO. 2321

DECEMBER 28, 2006

I. DESCRIPTION OF REQUEST

On December 6, 2006, Vitol Inc. (Vitol) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),¹ for blanket authorization to import and export up to a combined total of 400 billion cubic feet (Bcf) of natural gas from and to Canada. The applicant requests the authorization be granted for a two-year term beginning on January 1, 2007.² Vitol is a Delaware corporation with its principal place of business in Houston, Texas.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), of the NGA, the import and export of natural gas from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Vitol to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

¹ 15 U.S.C. § 717b. This authority is delegated to the Assistant Secretary for Fossil Energy pursuant to Redesignation Order No. 00.002.04B (September 23, 2005).

² Vitol S.A., Inc. was granted blanket authorization to import and export natural gas from and to Canada by DOE/FE Order No. 2244 on August 8, 2006, which extends through July 31, 2008 (2 FE ¶ 71,318). Effective January 1, 2007, the North American business of Vitol S.A., Inc. will be reorganized and transferred to Vitol Inc. As a result, effective January 1, 2007, Order No. 2244 is being vacated under a separate order, and the authority to import and export natural gas is being granted to Vitol Inc. herein by this Order.

ORDER

Pursuant to section 3 of the Natural Gas Act, it is ordered that:

A. Vitol Inc. (Vitol) is authorized to import and export up to a combined total of 400 billion cubic feet (Bcf) of natural gas from and to Canada pursuant to transactions that have terms of no longer than two years.
